DETAILED ACTION

Response to Amendment

This Notice of Allowance is responsive to the amendment filed May 20, 2009. Claims 13, 15, 20, and 23 are amended. Claims 3-5 and 10 were previously cancelled. Claims 1, 13, and 23 are independent. Claims 1, 2, 6-9, and 11-23 remain pending.

The Information Disclosure Statement (IDS) filed March 10, 2009 has been considered by the examiner.

Reasons for Allowance

All pending claims, claims 1, 2, 6-9, and 11-23, are allowed.

The following is an examiner's statement of reasons for allowance:

The closest prior art found is Ferri et al. (US 2005/0125736). Ferri teaches a personalized desktop workspace icon organizer in which icons in some window sections display filenames while icons in other window sections do not display their respective filenames (see Ferri Figure 7). It appears from the drawing figures in Ferri that the window sections are discriminated by file type.

However, Ferri does not teach discriminating whether or not filenames are displayed according to file type within the same section of the window, as is recited in instant independent claims 1, 13, and 23. Ferri also does not disclose a window section showing some file icons displaying a filename, but other file icons not displaying a filename, as a result of a determination that data associated with the file is or is not image data or multimedia data.

None of the found prior art references appear to teach that it would have been obvious to determine whether or not a filename is displayed with icons of a window section according to the file type. Accordingly, the instant claims 1, 13, and 23 appear to recite limitations that are novel and not obvious in light of the prior art references.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen Alvesteffer whose telephone number is (571)270-1295. The examiner can normally be reached on Monday-Friday 9:30AM-6:00PM.
